

weninger

Dear winefriends,

after almost one year we report back with our newsletter.

But in the meantime we haven't been deedless:

After the second harvest in our new cellar, in January of this year we could finally move into office and tasting room.

We are looking forward to your visit!

Cellar door sales:

Monday to friday 8 am to 4 pm and

saturday 12 am to 4 pm

Tastings by arrangement: +36.99.5310-82

Or visit us at the **Open Cellar** the
whitsun weekend:

Saturday May 10 and Sunday May 11
2008, 9 am to 7 pm

As a very special service, this year we
want to invite you furthermore to visit
the Weninger winery in Horitschon
(Austria). Therefore on saturday there
will be a free shuttle service between our

wineries in Balf and Horitschon: Between 12 am and 6 pm, on the hour from Balf to
Horitschon , on the half-hour back.

Furthermore we are happy about our new homepage!

At www.weninger.com you can find ongoing events, news about our winery, awards and much
more!

A quick glance at our vineyards makes us happy. Plenty of rainfall during the winter cater for
a good water supply, our green cover has grown well. Furthermore our vineyard team has
installed 500 nesting boxes for birds - and yet one day later we saw the first new residents.
Beside the birds a vast number of insects cavort in our gardens, a beautiful biodiversity.

From the cellar:

Pinot Noir 2004, Syrah 2004 and

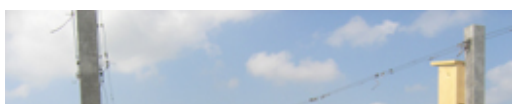

Fehérburgundi 2006 are sold out. The

new vintages will be available shortly.

A detailed report on the harvest 2007

you can find at

Best wishes for a nice start into the summer,

Franz Reinhard Weninger
